## KING 'S

## ORNER

Dear Lions:  
Regardless of what some economic advisers are saying, as a self-employed land consultant we are seeing some incredible hope for Hooksett this year. As Lions we need to be ready and proactive in moving forward. The next wave of economic growth is coming soon and we need to continue to refine and take advantage of any future opportunities to grow our club. This is a great club, with great

members, so let's spread the word.

I send a special get well to Robert Schroeder for a speedy recovery, as his expertise is greatly missed.

Meanwhile, the train show is coming together. Anyone that can help John Brock with ads is encouraged to contact him. John has streamlined the process but still could use as much help as possible.  
Stay warm!

Thursday's program will include a vision screening equipment demonstration. Come to the meeting, and get some hands on training. This training will prepare us to sponsor *Sight for Kids* screenings.

# We Serve

Sales for both the Train Show and the Citizen of the Year programs are now in full force. All Lions are encouraged to join in. Our goal is to top last year's totals.

## Lions Hope for Haiti

Lions Hope for Haiti has mobilized more than US\$1.14 million to date. Lions Hope for Haiti is Lions and LCIF working together to provide relief and hope for the people of Haiti. Lions around the world are responding generously and quickly to the LCIF designated fund for this disaster. Donations are continuing to pour in from individuals, clubs and districts.

del and his wife Dr. Maureen Murphy led a team of 40 Dominican Republic Lions to deliver water, food and medical supplies into Port au Prince, Haiti on January 22. Supplies were distributed by Haitian Lions and Leos to a hospital and orphanage. Lions are also establishing a tent city of 200 tents donated by Swedish Lions to provide shelter for those left homeless as well as relief workers, a clinic and psychiatric assistance.

LCIF is working directly with Lions of Haiti as well as Lions in neighboring countries to respond to immediate and long-term needs. LCIF Chairperson Al Bran-
